

## Overview

This Short Course (SC), namely Humanitarian Attributes, Standards and Codes of Conduct (SC1), is a one of a series of seven offered by TorqAid. Details of these can be found at [www.torqaid.com/short-courses](http://www.torqaid.com/short-courses)

- SC1 : Humanitarian Attributes, Standards & Codes of Conduct
- SC2 : Key Disaster Risk Management (DRM) diagrams
- SC3 : The Project Management Cycle (PMC) and Project Design Document (PDD)
- SC4 : The Ten Seed Technique (TST) ranking tool, and Seasonal Calendar
- SC5 : Risk Management
- SC6 : Teaching Tips and Humanitarian Evaluation Criteria (HEC)
- SC7 : The Rohingya Humanitarian Crisis

These SCs are of a minimum of 1.0 – 1.5 hours in duration, and are designed both for the Global Humanitarian or Development Professional, as well as for the interested tertiary or secondary students. Together they give an overview of some key issues relating to global humanitarian and development work.

## SC1: Humanitarian Attributes, Standards and Codes of Conduct

The material here focuses on:

- The Five Key Attributes (5KAs) of a Development or Humanitarian Practitioner
- The Core Humanitarian Standard (CHS)
- The Sphere Project

The Core Humanitarian Standard (CHS)<sup>1</sup> has evolved from a complementary set of humanitarian standards and codes of conduct which have developed over the past years.

The 2018 Sphere Humanitarian Charter and Minimum Standards in Humanitarian Response<sup>2</sup> include both a Humanitarian Charter, and Minimum Standards in four technical sectors. The Humanitarian Charter provides an ethical and legal framework which undergirds all humanitarian response.

For information and costings of this (or indeed other) Short Courses, please contact Chris Piper, the TorqAid CEO, on [pipercm@iprimus.com.au](mailto:pipercm@iprimus.com.au)
