

Overview

This Short Course (SC), namely Teaching Tips and Humanitarian Evaluation Criteria (SC6), is a one of a series of seven offered by TorqAid. Details of these can be found at www.torqaid.com/short-courses

- SC1 : Humanitarian Attributes, Standards & Codes of Conduct
- SC2 : Key Disaster Risk Management (DRM) diagrams
- SC3 : The Project Management Cycle (PMC) and Project Design Document (PDD)
- SC4 : The Ten Seed Technique (TST) ranking tool, and Seasonal Calendar
- SC5 : Risk Management
- SC6 : Teaching Tips and Humanitarian Evaluation Criteria (HEC)
- SC7 : The Rohingya Humanitarian Crisis

These SCs are of a minimum of 1.0 – 1.5 hours in duration, and are designed both for the Global Humanitarian or Development Professional, as well as for the interested tertiary or secondary students. Together they give an overview of some key issues relating to global humanitarian and development work.

SC6: Teaching Tips & Humanitarian Evaluation Criteria

SC6 includes twelve useful Teaching Tips for the Development or Humanitarian Practitioner who may not be previously trained as a teacher or facilitator. This will enable the person concerned to improve their capacity building skills.

Some key Humanitarian Evaluation Criteria (HEC) are also included in SC6. Ideally these logically follow on from the material covered earlier in the SC1 and SC3 Short Courses. The HEC combine rights-based, people-centred, and project management evaluation approaches, and also include humanitarian technical expertise and ‘larger picture’ analysis.

For information and costings of this (or indeed other) Short Courses, please contact Chris Piper, the TorqAid CEO on pipercm@iprimus.com.au
